Julia Rybakowska Recital

OSIECKA. JUST NOT ABOUT LOVE

Lyrics: AGNIESZKA OSIECKA

Directed by: PIOTR KRUSZCZYŃSKI

Premiere: February 15, 2014, New Stage

The performance lasts: 55 minutes (no intermission)

No age limits

Dear viewers, meet Renata Badył. Renata is charming and vigorous, though hardly an experienced girl, with an allotment garden filled with poor stalks; a girl who spends an intoxicating summer in Portofino from time to time, gets drunk – but only for fun; knows a thing or two about pornography and also sings.

Just not about love, as she cockily declares in subtitle of her recital.

Only... will she manage to keep this perverse promise? The daredevils who dare to spend the night or rather an evening with Renata will find out about it.
